

Bunny Service Jar

Jesus came from up above
To serve us all & share God's love

He calls us to do the same
Serving others exalts His name

For every kindness performed near or far
Put a bunny tail in your Service Jar

And when your jar is filled up tight-
Celebrate with all your might

Because you've shown Easter to everyone
A bright reflection of God's Son

Now enjoy a special treat
Remembering Jesus thinks you're super

Sweet!
