

Dear _____

I was thinking that Mother's Day is coming up and I realized that I have expected you to somehow read my mind to know exactly what I want.

This is unfair!

I thought about several ways to solve this problem.

#1 – I could purchase a Magic 8 Ball to help you out.

#2 – Get you a membership to the psychic hotline.

#3 – Tape clues about what I want all over the house.

Well, all this sounded a bit complicated, so I decided to just write you a letter that tells you exactly what would mean the most to me this Mother's Day. Here is a list in which I narrowed down by checking off my top favorite ideas for Mother's Day – but don't feel limited by the checkmarks by any means.

- | | |
|-----------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> SLEEP IN | <input type="checkbox"/> Affirming text messages from you all day long |
| <input type="checkbox"/> Breakfast in bed | <input type="checkbox"/> Family Game Night |
| <input type="checkbox"/> Homemade cards from the kids | <input type="checkbox"/> Some time to go out with girlfriends and not come home to a messy house |
| <input type="checkbox"/> No cooking all day (this means meals are planned by someone other than me) | <input type="checkbox"/> Decadent dessert |
| <input type="checkbox"/> A kid-free trip to Target | <input type="checkbox"/> Bedtime routine run by you while I sit on the couch with a plate of chocolate strawberries (I will save one for you after you get the kids in bed). |
| <input type="checkbox"/> Family time at a local park | <input type="checkbox"/> Diamonds from Tiffany's (Just kidding. But not really. 😊) |
| <input type="checkbox"/> Go out to dinner with the family | <input type="checkbox"/> OTHER: |
| <input type="checkbox"/> Relaxing day at the beach or pool | |
| <input type="checkbox"/> Chores (vacuuming, dishes, laundry, etc.) done by someone other than me | |
| <input type="checkbox"/> Massage | |
| <input type="checkbox"/> Date Night (this includes finding a sitter) | |

Thank you so much, Amazing Husband. If it weren't for you I wouldn't be a mother in the first place! And don't worry – if you think this list sounds over-the-top, keep in mind that Father's Day is next month...

I love you!
