

"Don't Eat Tom Turkey!" A Thanksgiving Game for Families

To play, gather the family around a table. Choose one person to be 'It.' Send that person out of the room. Pick one of the turkeys on this page to be 'Tom Turkey.' Call the 'It' person back in. Place candies (M&Ms or Candy corn) on top of each turkey picture. Have the 'It' person start to eat candy. When they reach for the candy that is on top of 'Tom Turkey,' everyone yells "Don't eat Tom Turkey!" and that player's turn is over.
