

Thank you!

I'm sorry I couldn't be there,
But I'm not quite ready yet.
God is painting my eyes, nose and cheeks
And soon I'll be all set.

Though I wasn't there to thank you,
For the lovely gifts you brought,
My family is grateful
We appreciate the thought.

We pray the Lord will bless you
For your generosity
And when I'm born into this world
Please come and visit me!

My mom is very blessed
To know each one of you.
We want to say we love you
And Jesus loves you too!

See you soon...

Love,
