

Thank you!

I'm sorry I couldn't be there,  
But I'm not quite ready yet.  
God is painting my eyes, nose and cheeks  
And soon I'll be all set.

Though I wasn't there to thank you,  
For the lovely gifts you brought,  
My family is grateful  
We appreciate the thought.

We pray the Lord will bless you  
For your generosity  
And when I'm born into this world  
Please come and visit me!

My mom is very blessed  
To know each one of you.  
We want to say we love you  
And Jesus loves you too!

See you soon...

Love,
